

# The Academy of Medicine of Queens County Presents

A Continuing Medical Education Program (1.0 CME Credits)\*

## “EMR Technical Implementation”

### Learning Objectives:

Physicians, Practice Administrators and Office Managers will gain a better understanding of the EMR implementations process, from pre-implementation, implementation to post-implementation. You will gain insight on what you can expect as far as downtime, implementation timeline and what additional support you will need once the EMR application is in place. You will learn about network security and the best practices to ensure your patient data is secure. Know the pros and cons of an ASP model vs. a Server based model so you can make a better decision when choosing software for your practice. Learn the most current methods in backup, disaster recovery and business continuity solutions.

Location: **Queens Medical Society**  
112-25 Queens Blvd. Fourth Floor  
Forest Hills, NY 11375  
Date: Thurs., **Jan. 14, 2009**
